A Missionary View -Being back in this important position I have felt God speaking to me and showing me a multitude of opportunities, He has planned for Gibson Baptists! I must admit to being, at times, overwhelmed at all the challenges to keep up with God's directives for me, for our churches, and for all our neighbors! But, I am sure that "where God leads God provides!" Let's make sure we are prayed up, studied up, and ready for what He has in store for us! It seems that we are looking at where we are these days and saying "O me, so much needs to be done, where do I begin? Maybe His plan is right in front of us, and we are distracted by the so called "urgent" while we allow the "important" things to be left for a later time...maybe never!

-I was blessed to be called on to be the time-keeper for the association Bible children and youth Bible Drills this week! Two of our churches are to be commended for their willingness to invest in children and youth discipleship! It was blessing to see these young folks and their leaders demonstrate their love for the Bible! Some of us have given up on discipleship training and then we are saying, where are our children and our youth? Listen, if you have one, two or only three children, is there anything better that you or your church could do than to disciple and train children & youth in learning the books of the Bible and memorizing scripture, and learning to use the Bible? "O, that would require work and we just don't have time or interest!" "Houston, we have a problem" or more importantly, "Lord, we have a problem!"

-It's almost time for VBS and I'm sure our churches are planning and working toward a great VBS! If you need assistance or if you have questions, we have a team of trained and experienced VBS volunteers who can help! If you need their assistance, call the GBA office!

-In another area, I rejoice to see some churches "plowing and sowing seeds, watering and preparing for the harvest and realizing a harvest." The reality is that there are some churches struggling in different areas. Several churches searching for pastor, youth leader, music & worship leader; or having no baptisms, or "struggling" with attendance, finances or with disunity! If your church feels that your church is one of those "struggling" churches, I don't have all the answers, but the One who established His churches and who is the Chief Cornerstone of His church and the One who sustains His church, He does have the answers and the power! I want you to know that as your Association Missions Strategist (AMS), I feel your burden I am here for you, and your church! I would like to visit all the GBA churches and have an opportunity to "share the vision and purpose" of our association. I have been asked, "what does the association do?" and "what do you do as DOM/AMS? I would like to try to answer that question in your church. There may be a need for some Sister Church to Sister Church Partnerships! Please call on me, let's talk and pray seeking the Lord's directives for the journey ahead. Be assured that "you're not alone!"

-We have a volunteer team serving in Brazil this week, thanks for prayers for this team of brothers and sisters from various GBA churches. A team of volunteers is being organized for a mission project with Ocoee Ministries in the Ocoee River area July 8-14. Another team is preparing to go to Panama August 1-11. Yet, another team is being organized to go to Columbia, South America September 12-22. We have received a volunteer request from Hawaii (no, not for vacation, but for an important mission project) with a date yet to be decided! We are also considering a mission project in the Appalachia area of Kentucky. There is room for

Our medical personnel perform our free pregnancy testing and ultrasounds that introduce women to the precious babies in their wombs. Please pray the Lord will send us godly, Christian women who have a passion for the preborn and helping other women in unplanned pregnancy situations.
